

Register today for VCQ's first online class using Zoom!

### Free Motion Thread Painting

Offered by the Virginia Consortium of Quilters on Zoom to VCQ members

August 8, 2020 9 AM start time

Class Fee: \$40 plus kit

Kit: \$15 or Expanded Kit: \$25

Both kits include shipping fee

Please register and order by August 1, 2020 so kit arrives before class date

Paint over this Great Heron photo using only thread. This class will be conducted virtually using Zoom. Class will start 9 AM and work until Noon. We can then take a break, have some lunch and come back to finish up (or nearly finish) the project. After the break you may have more questions. We can even have a Show and Tell of your projects. It should be as fun as a VCQ meeting but without the hugs and group lunch.

If students wish, they can join a private Facebook group to continue interacting with Darlene and other students. After class you can continue to ask questions and post photos of your partial and completed projects for Darlene and other class members to view. Joining this group would be optional and is offered at no additional cost.

### Supplies:

\$15.00 Basic Kit includes photo printed on fabric, fused and stabilized to canvas and non-skid grip, shipping is included. You will need to use your own #40 weight thread. Refer to photo to choose colors.

OR

\$25.00 Expanded Kit includes the Basic Kit plus thread: 13 colors of #40 polyester thread that are included in the expanded kit, shipping included. The threads in the kit will be loaded onto bobbins to be used as your top thread.

Additional supplies for class:

Sewing machine set up for free motion quilting

New size 14 or embroidery needle installed in machine

Bobbins in light, medium and dark (2 white or beige plus 1 medium gray and 1 dark gray)

Small snip or embroidery scissors

Tweezers for pulling up threads to top from bobbin

Free motion gloves, optional.
