**A One-Time Opportunity for Quilters**

*Ricky says: My Super Quilt Seminars are only presented three or four times each year and it's not possible to repeat locations. Let me encourage you not to miss this event while it is in your neck of the woods. I know it's hard to wrap your mind around a quilting event where you sit and listen without any sewing, but the truth of the matter is that you will learn more than you can imagine. The*

response everywhere we go is over-the-top and the saddest words I hear are, "I'm so sorry my friend didn't come – they would have loved it!" Not only will you learn the best I have to share, but **Alex** also teaches amazing techniques as well as giving away her best kept secrets.

- *There is no sewing, there is no supply list and you won't be going home with a UFO. Everyone attends all sessions.*
- *Learn lessons suited for experienced, novice, traditional, and contemporary quilters.*
- *Learn simple, efficient techniques and explore the principles for successful original designs.*
- *The seminar is loaded with projects that will allow you to try the various techniques when you get back to your sewing studio. Prepare to have your head spinning with excitement.*
- *All of the sessions are enlightening and insightful and we all do our best to keep you laughing and entertained while bringing you the best we have to offer.*

***I'm so confident you will find this seminar to be worth it to you that I offer a full money back guarantee if you are not satisfied!***
