

# VIRGINIA CONSORTIUM OF QUILTERS

January 2015 Volume 33 Issue 1

## A MESSAGE FROM THE PRESIDENT – Susan Price

Greetings and welcome to our first newsletter of 2015! Have you considered your quilting goals for the New Year? I hope one of them will be to attend as many of our quarterly meetings as possible and consider what contributions you can make to VCQ. 62 members joined us in November for our 30<sup>th</sup> anniversary meeting in Harrisonburg. We enjoyed putting the spotlight on the Virginia Quilt Museum for this meeting with an introduction by Meg Carr, director, and group tours of the museum and its exhibits. We also had a group working on our community service project, others in Come Quilt with Me, and an afternoon session on quilt documentation with Neva Hart. Those present received a fabric box made with VCQ logo fabric (check the Facebook page for a picture) and a 30<sup>th</sup> anniversary charm. We will have more of these available at the March meeting.

A review of VCQ activities in 2014 shows that meeting attendance averaged 70 with 153 attending Celebration. Membership at the end of 2014 was 265. In 3 meetings we have completed 115 pillows and totes for mastectomy patients. Thanks to Neva Hart and many volunteers, 558 quilts were documented in 2014, adding to the 500+ from 2013. With your help we continue to fulfill our purpose of encouraging quilt making, documenting quilts, providing community service, and uniting quilters in Virginia. However, we do have a need for some new area representatives and while this is not a huge job, it is an important one. We need input from our members all over Virginia, and also need to share information about VCQ in all parts of the state. Responsibilities include distributing brochures to shops in your area, promoting VCQ to your local guilds in whatever way works for you, and representing your area of the state at the quarterly board meetings. The areas

Virginia Consortium of Quilters

in need of representation include Southern Shenandoah and Southwest Virginia. Please contact me if you are able to fill one of these positions. We welcome Ann Tinsman as our new Fredericksburg area rep.

You will soon be hearing more about a fundraising campaign for the Virginia Quilt Museum. In honor of the museum's 20<sup>th</sup> anniversary this year, they are looking for 2015 people to support the museum with a \$20 gift (\$1 for each of their 20 years). This sounds like a very doable goal. There will be regional captains to help distribute donation cards and envelopes, but all donations will be sent directly to the museum. The campaign rolls out February 1, so if you don't hear about it locally as the year goes on, you can always get in touch with your VCQ rep or check the museum website for information. This is directed not just at quilters but all Virginians.

As members of the American Quilt Study Group, we have access to their newsletter, Blanket Statements. The fall edition is available on their website, but you must have the logon to access it. I cannot include it here because this newsletter is posted on the internet, but the access code will be available at the March meeting.

Here's wishing you a productive and creative quilting year, and I look forward to seeing you in Williamsburg in March!  
Susan Price  
President

**Workshop A: Mock Molas – A Traditional Art Modified & Made in Felt with Alice Ridge**

**Skill Level: Open to All**

**Hand Workshop:** This is a hand work workshop, but it is easy and relaxing to do. Have you looked at the beautiful Molas from Panama and gone green with envy? I have! I love the look of traditional Molas with all the layers of colored fabrics and fancy stitches! I thought that I would make one myself, but then really turned green when I realized how much detail work and teeny tiny stitches were involved. So, I created this class to modify the traditional Molas by using felt to make a project that keeps the style and colors of the original, but is so much easier and faster.

**Materials/Supply List:**

- **Kit:** All the supplies for this workshop will be provided for you in a kit that can be purchased the day of the workshop from your teacher. There will be several designs to choose from. The kit fee is \$20.00 and can be paid by either cash or debit/credit cards. No personal checks, please.
- Please bring the following with you:
  - Pencil. Just an ordinary pencil. I usually use a mechanical one so I don't have to worry about sharpening it.
  - Small iron and ironing mat surface if you have one
  - Small very sharp pointy scissors. We will be cutting out the design and there will be small tight cuts to make.
  - Thimble. We will be doing hand stitching and you will appreciate having a thimble, trust me on this. If you don't have one, or have never used one before, I use leather "Thimble Pads" and I think they are fantastic. They are small leather dots that have adhesive to stick them on your finger right where the needle would poke you.

**About your teacher:** *Alice Ridge* learned how to sew and embroider by hand when she was in 2<sup>nd</sup> grade, taught by her Grandmother and Great Aunt. She got her first sewing machine when she was in 5<sup>th</sup> grade and has been sewing ever since, and she has been quilting on and off for over 30 years. In

her own words, she has been “quilting obsessively for the last 15 years”. She is a traveling quilt teacher for the last 7 years and recently had an article & pattern published in “*Quiltposium*”, the online quilting magazine. She appreciates all quilting styles and loves to try new techniques and “tweak” old ones to make them new and fresh. Alice thinks quilting should be fun, “If you’re not having fun... then you need to find a different hobby”. Alice is married to a career Army man (34 yrs Active Duty and still going...) and has traveled all over the world, but currently resides in Ft. Eustis, VA. She is a mother of 3 grown children and has 4 grandchildren.

### **Workshop B: Thread Painting with Sherry Whitford**

### **Skill Level: Intermediate/Advanced**

**Machine Workshop:** Create a small wall hanging while learning the technique of “thread painting”.  
Maximum of 10 students for this workshop.

### **Materials/Supply List:**

- **Kit:** Supplies provided in the kit will be the fabric with the basic tree drawn onto hand painted background, stabilizer, and use of Sherry’s decorative threads for seasonal colors of Fall, Summer & Spring. The kit is required for this workshop and can be purchased the day of the workshop from your teacher. The kit fee is \$15.00 payable by cash or check.
- Sewing machine in good working order and one you are comfortable using, all machine cords and foot pedal. You must be able to drop the feed dogs on your machine.
- 3 – 5 bobbins to wind decorative threads. (these will be used on the top of your machine)
- Marking pen
- Basic sewing tools & supplies

### **Fabric Requirements:**

- ½ yd of coordinating fabric for the border, backing & binding
- 1 yd of batting

**About your teacher:** *Sherry Whitford* has been quilting for over 45 years. She managed the quilt shop, Needle Craft Corner at Williamsburg Soap & Candle Factory for 28 years and had a lot of fun doing so. She is now retired “to play and teach quilting” which she finds even more fun! “What joy to share my love of quilting skills” and we are fortunate to have her as a VCQ member. Having the pleasure of viewing many of Sherry’s quilts on display at the Mid-Atlantic Quilt Fest in Hampton, VA or at a lecture/trunk show she presents at local guilds, Sherry’s sense of humor usually is a stand out in many of her wall quilts and her craftsmanship is excellent. She encourages quilters to think outside of their comfort zone and embrace unexpected results. Sherry is a member of the Colonial Piecemakers’ Guild; River Country Quilters’ Guild and the Crazy Quilters Chapter of the Richmond Quilting Guild.

### **Workshop C: Little Layered Landscapes with Martha Berry**

### **Skill Level: Beginner to Intermediate**

**Machine Workshop:** Learn the technique of cutting and layering your fabric and create your own original little landscape. This workshop will cover the fabric selection, cutting, layering, top stitching, quilting and embellishment. You will be on your way to finishing this project by the end of the workshop. There will be a maximum number of 12 students for this workshop and it is important that those attending do all their fabric pre-cutting as instructed below.

### **Materials/Supply List:**

Rotary cutter, mat and quilter’s square  
Iron and pressing surface  
Large and small fabric scissors  
Long Pins (flower head pins work well because they lay flat – this is important!)  
Sewing Machine with #80 universal or topstitch needle  
Thread to match fabrics for topstitching and quilting  
Bobbin thread to match fabrics or neutral color  
100% cotton batting

### **Fabrics:**

Look for textures, dots, lines, mottled and random uneven designs. Look for a range of textures. Avoid busy prints, and recognizable patterns.

***Due to time constraints, have the fabrics cut ahead of time.***

### Landscape Fabrics:

- Sky: one 10" x 4" rectangle blue/white mottled (look for commercially printed sky fabrics or hand-painted or dyed fabrics)
- Lake: one 10" x 2" mottled blue strip (make sure one long edge is straight)
- Mountain (or distant hills): two purples (or greens) light and dark 10" x 2"
- Hills: Seven Greens 10" x 4" (different textures and values, graduated from light to dark)

### Curvy border Fabrics:

The landscape will come out approximately 9"W x 12"HT, but it is good to have a bit of extra length in the border strips to allow for size variations

- First Inner Wavy Border: Tan cut (2) at 2" x 14" (or longer)
  - Tan cut (2) at 2" x 12" (or longer)
- Second Inner Wavy Border: Deep Red cut (2) at 2" x 16" (or longer)
  - Deep Red cut (2) at 2" x 14" (or longer)
- Outer Wavy Border: This can be any color and any print or texture that will frame and set off the combination of fabrics used within the landscape. Four 3" width strips. The length and width of the strips should be longer than the length and width of the landscape combined with the two inner borders. The actual dimension will be determined after completing the two inner borders.
- Additional Fabrics needed: Hanging sleeve and binding

These little landscape quilts will be based on the technique as shown in Karen Eckmeier's book:

*Accidental Landscapes: Surprisingly Simple Quilted Scenes*

I will also show some variations and samples of additional techniques for making landscape quilts.

**About your teacher:** *Martha Berry* has had a love for all things sewing and fabric since a teenager and then started quilting in the late 1980's. Although she still greatly appreciates and does traditional piecing, she was quickly drawn to the not-so-traditional forms of using fabric in quilting and mixed media. After teaching elementary art for seven years in a school classroom, she opened Two Rivers Quilting, a fabric arts and longarm studio in Williamsburg, VA. "I love having the studio because it allows me to meet so many new people and see their beautiful work and hear the wonderful stories of their quilts." Martha is a member of the Colonial Piecemakers Quilt Guild and also a member of VCQ. She has recently taken the position of Executive Board Secretary and we are very grateful to have her!

**VCQ will be scheduling meetings all over the state. If your guild would like to sponsor a meeting contact one of the Board members. If you know of a quilting teacher we would be interested in, please contact Karan Fisher, Programs Chair at [karanfisher@cox.net](mailto:karanfisher@cox.net), or 757-761-1173**

## **Workshop D: Intuitive Machine Free Motion Quilting with Paula Dean**

### **Skill Level: Beginner to Intermediate**

**Machine Workshop:** Learn to free motion quilt your projects without over thinking. We will walk thru the basics of free motion quilting. This workshop will push you to look at your art in new ways and explore new possibilities. The quilting design can tell a story about the quiltmaker and is influenced by memories and life experiences. Join me as we practice our stitches and create a free motion sampler as a reference for future projects.

**Kit:** The kit includes focus fabric and Free Motion samples. The kit fee is \$10.00, payable by cash, and can be purchased from the teacher the day of the workshop.

### **Materials/Supply List:**

- Cut (2) 18” squares of solid fabric (or a print that reads as a solid – don’t be afraid to choose a dark color)
- Cut (2) 20” squares of low loft batting
- Cut (2) 20” squares of backing fabric (one will go with your solid and the other with a focus fabric that will be provided to you on the day of the workshop. Just choose a neutral color)
- Freezer paper (about 12”)
- Matching thread and contrasting thread for your solid fabric. Also bring a variety of threads for the focus fabric.
- Sharpie marker
- Composition book
- Fabric marking pen or chalk that will show up on your solid fabric
- Sewing machine in good working order and that you are comfortable in operating
- Free Motion or Darning Foot
- Needles: 90/14 or any size quilting needles
- Optional: Quilting gloves, digital camera

**About your teacher:** *Paula Dean* is primarily an art quilter and mixed media artist. She began as a traditional quilter and soon found there were just too many rules to feed her muse. She will attempt any techniques available and even though some may be an epic fail, she enjoys the process. Paula enjoys experimenting with texture and designs and always asks “what if”. Her inspiration comes from everywhere and she takes pictures of anything and everything. Paula lives in New Kent, VA with her husband. She has two grown daughters and one granddaughter who is the twinkle in her eye.

## **Workshop E: Community Service Project - Post Mastectomy Comfort Pillows**

**Skill level: All levels.**

**Machine workshop:** VCQ regularly selects a project as part of the guild's Community Service program. During calendar years 2014 through 2015 members may register to participate in this workshop to make these wonderful comfort pillows. VCQ will then give them to Breast Cancer Centers or clinics throughout Virginia for breast cancer patients. Rickie Summers and Aristine Shores graciously volunteered to be the Co-Chairs for this project for 2015. To help VCQ to achieve this, we ask members to either participate in the workshop, or donate 100% cotton or cotton flannel fabric of any color, pattern, or print and to provide names of Breast Cancer Centers, clinics, hospitals, etc.

located in cities, counties, & communities in Virginia. At this time, poly-fill is NOT needed. To date we have donated 109 Comfort Pillows and bags in 2014. The session in March will donate bags to Sentara Williamsburg Regional Medical Center Auxiliary. If you are participating in CQWM, you may think about spending part of your time with the community service project. You may choose to participate either all day, in the morning, or in the afternoon. Any time spent in the community service project is appreciated.

### **Materials & Supplies:**

- A pattern will be provided in the workshop
- 1 FQ for pillows
- 1 FQ for cloth bag & strap (this can be identical or coordinating fabric)
- Rotary Cutter and Ruler – unless you precut your fabric
- Thread and pre-wound bobbins
- Sewing machine in working order, already threaded
- Basic sewing tools & supplies

**Workshop F: Come Quilt With Me.** Bring your own project to work on as you sit and quilt with other members and experience some good fellowship. Highly encourage attendees to bring hand sewing/quilting due to some space limitations.

## Membership 2015 Report

Our membership ended the year with 265 members. So far 154 members have renewed for 2015 and beyond. I'm looking forward to receiving renewal applications from the 111 members before the March meeting. I'm sure that there are other quilters that you know who would enjoy traveling throughout the state for our quilting events. Encourage your friends to visit our website to learn more about VCQ. The annual dues are \$20 and you have the ability to prepay up to 5 years. I'm happy to be your membership coordinator for 2015 and hope to see you at our four meetings in 2015.

Happy Quilting,  
Dianne Reasons

## **COMFORT PILLOW w/ BAG FOR MASTECTOMY PATIENTS**

This pattern was originally designed by members of the Shenandoah Valley Quilters Guild. Pillows are used by those who have had breast or underarm surgery. The cushion is placed between the arm and the torso to lessen direct pressure on the wound area. Machine wash and dry all fabric before sewing. Remove all selvages. Use ½” seams, unless otherwise indicated. Please read all of the instructions before constructing the pillow or bag.

### **To make the pillow: (1 fat quarter needed, or fat eighth if using cotton & flannel)**

Cut 1 piece cotton fabric, 8 ½” x 11 ½”  
1 piece cotton flannel, 8 ½” x 11 ½”  
2 pieces thin batting or fleece, 8 ½” x 11 ½”

Stack the pieces in the following order:

Batting or fleece  
Flannel, right side **up**  
Fabric, right side **down**  
Batting or fleece.

Pin securely.

Leaving a 3” opening for turning, sew around the pieces using a scant ½” seam allowance. Lengthen your stitch to accommodate the bulk of the layers. Use a walking foot or even-feed system to help prevent layers from shifting. Clip the corners and turn the cushion right side out. Stuff lightly with polyester filling (you want the cushion to be full, but not hard). Hand stitch the opening closed.

### **CARRYING BAG: (1/2 yd needed)**

Cut: 1 piece main fabric, 2 ½” wide from selvedge to selvedge, for the handle.  
2 pieces main fabric, 10 ½” x 13 ½”  
2 pieces lining, 10 ½” x 13 ½”

Make handle: Using 2 ½” strip of fabric, fold both long edges in, wrong sides together, to meet in the center of the strip. Press.

Fold length of strip in half with folded in edges inside and short raw edges matching. You should have a strip 1 ¼” wide by approximately 18-20” long. Press.

Topstitch 1/8” from each edge and one or two times down the center of the strip (the more stitching, the firmer the handle).

Place main fabric rectangles together and sew around three sides, leaving one short side open for the top of the bag. Repeat with lining fabric. Turn the main fabric bag right side out. Leave the lining inside out. Press both.

Fold top edges of each bag under about ½”. Place lining inside main bag, wrong sides together. Insert handle ends at each side seam between the main fabric and the lining.

Edge stitch around top of bag. Backstitch over each handle end to secure. Stitch around the bag a second time ½” from edge, being sure to backstitch over the handle again. Slide pillow inside bag.

Directions modified by Susan Price for VCQ, March 2014.
