

June 2011 Volume 27 Issue 3

A MESSAGE FROM THE PRESIDENT – Debi Harding

Let me first thank Joan Scott and all her guild helpers from the Country Piecemakers of Powhatan. We truly had a great time in Midlothian. From the nutritious breakfast they prepared to the special made gifts—flower pen, quilted heart flower, the quilted zipper case with needle case, book mark, patriotic coaster and small rope coaster, Favorite Soup Recipes cookbook and the wonderful door prizes made by their members. Ladies you outdid yourselves. We did not let the rain dampen our day.

Thanks to all members who have volunteered for a leadership role with VCQ. We still have the **Programs Chairman** and Print Publicity positions open to fill. I have been fulfilling the Program Chair position for over a year now and WILL NOT be giving my time to this position in 2012. The guild who sponsors us in each area makes suggestions of teachers for us. The Program Chair duties include setting up and emailing teacher contracts, speakers, vendors, collecting class descriptions & photos from the teachers and typing the info format for the newsletter, along with processing registration. Please contact me if you would like to review the job descriptions.

VCQ is looking for a location for our March and August 2012 meetings. If you feel your guild would like to sponsor us, please contact me (dharding13@cox.net or (757) 615-7758).

YEAH to VCQ member Heather Zavagnin for volunteering to take on the Newsletter Editor position from Kitty Bull.

At the May meeting Debbie Elam had a wonderful display of quilts and photo books everyone had made and we presented her with the remaining “labors of love” and monetary funds to the Virginia Memorial Quilt Project. This has been a worthwhile, rewarding project for VCQ over the past years. Thanks to all the members who shared their time to

make any part of the quilts. Please read Debbie’s article on page 7. See you in Monterey, August 13.

Happy Summer!!!
Debi

VCQ CHARITY PROJECT...

Starting with our November 12, 2011 VCQ meeting we will be supporting making pillowcases for Foster Children in Virginia. To kick off the State Wide Project, we will be meeting in Blackstone, at the Virginia United Methodist Assembly Center (VUMAC.org to see facility accommodations) to have a weekend dedicated to making pillowcases. It will be one large “come quilt with me atmosphere”, cutting, pressing, sewing and socializing. There will be 3 different rate packages for staying Saturday only, overnight at the facility Friday & Saturday and option to leave Sunday morning. All the meals will be prepared by the facility and included in the pricing. VCQ will be paying a portion of the costs. The facility room will allow us 25 sewing machines. If you can donate any children’s fabrics for any age child, a pillowcase takes $\frac{3}{4}$ yard of main fabric for body, 11” strip for cuff and 1 $\frac{1}{2}$ -2 inch strip for accent. We will show everyone how to make pillowcases with No exposed seams.

The following slate of officers is presented for 2012-2012-two year term starting Jan. 1, 2012:

Vice President – Kathy McCrea

Treasurer – Faye Hannah

Membership – Betty Blessin

If you wish to nominate someone or be considered for one of the above positions, please contact any area reps. If there are two candidates for one position, the membership will vote at the annual meeting, November, 2011.

Board Meeting Friday August 12th at 5:30pm in the Mountain Hideaway Restaurant & Tavern, at the corner of Route 220 and Route 250. As you travel west on 250 into Monterey, take a right onto 220. The restaurant will be on your left between Main Street (Rt 250) and Mill Alley.

**VCQ General Meeting 5/14/11
Richmond, VA (Midlothian)**

The meeting was called to order at 12:55 PM by Debi Harding, President. Debi thanked the Country Piecemakers Quilt Guild of Powhatan for hosting us in Midlothian, VA.

The minutes of the March meeting were approved as printed in the newsletter. The treasurer's report was reviewed and discussed. It was noted that Celebration is a separate 2 year budget. The miscellaneous expense in April included the 1856 Society one-time donation to the Virginia Quilt Museum. The Vi Graves Scholarship fund has a \$500 balance. Expenses are greater than income, but that is how we typically operate. Costs for meeting facilities, teachers, and lunches have risen while fees have remained constant, until the increase approved last year. Since we have a total of \$32,500 in the checking and money market accounts, it is not a problem. There was a question about the switch from Quicken to Quick Books. This was done because the new treasurer was more familiar with Quick Books and it was available at a lower cost to non-profits. The treasurer's report was approved by the membership.

Attendance today is 72, with 3 classes and Come Quilt with Me. Two classes were cancelled due to low enrollment. Our August meeting will be in Monterey; attendees need to secure their own lodging for this meeting as there are no hotels large enough to accommodate everyone. Our November meeting will be held at Blackstone Retreat Center near Richmond, where we will be working on our new charity project, pillow cases for foster kids. We still need host groups for 2 meetings in 2012 – March and August. If your local guild is able to host, please let us know. Celebration will be held at the end of April at Smith Mountain Lake 4-H Center and November will be in Martinsville.

Our membership is currently at 268. We have several new members with us today. Please keep your membership current; the rosters distributed in March list the expiration date of your membership. The application to renew or join is available on the website as well as in each newsletter. We are in need of a volunteer to handle Print Publicity; part of this job would include updating guild information. See any member of the board if you are interested.

Susan Virden and the Celebration committee reported on their progress toward planning our retreat for 2012 to be held at Smith Mountain Lake. Attendees at the March meeting got piggy banks to start saving; at this meeting reminder magnets were on the lunch tables. On August 1, the brochure will be available on the website; however registration will not begin until the August meeting. When submitting registration forms, be sure that all roommates have listed the same people on their forms. There will be 3 people to a room. The quilt challenge for this Celebration will be in support of the Alzheimer's Art Quilt Initiative. There is information in the last newsletter and on the web site about this challenge. The Vi Graves Scholarship provides financial support to attend Celebration; applications will be online. Donations to the fund are usually made in memory or honor of someone.

To conclude our work on the Virginia Memorial Quilt Project, 15 finished quilts were presented to Debbie Elam of the VMQP. These quilts are given to Virginia families who have lost family members to the wars in Iraq and Afghanistan. In addition, a check for \$150 was presented; this is the remainder of the money raised for the backing and batting for the quilts.

Debi read the thank-you note received from the Virginia Quilt Museum for the 1856 Society donation. This was a one-time donation of \$1,856 in support of maintaining the quilt museum building. Other announcements included the need for a Newsletter Editor and Programs chair person; both are appointed positions. Kitty has a draft of the June newsletter started and will help a new person with the next 2 issues. A lot of the work for these jobs can be done electronically. In November at the annual meeting we have 3 board positions up for election – treasurer, Vice President, and membership. Talk to a member of the board if you are interested in any of these positions. Our August meeting is in Monterey. Due to the size of our workshop facility, enrollment will be limited to about 100. Book your lodging now; there is a link on the VCQ site to the Highland County Chamber of Commerce where lodging information is available.

The meeting was adjourned at 1:23 PM.

Respectfully submitted,
Susan Price, Secretary

The Alzheimer's Art Quilt Initiative is a national, grassroots organization whose mission is to raise awareness and fund research. "Alzheimer's Illustrated: From Heartbreak to Hope" (a nationally touring exhibit of quilts about Alzheimer's) and the Priority: Alzheimer's Quilts Project are two of its efforts. The AAQI is a totally volunteer organization. No funds are spent on fundraising and 100% of its revenue is used to fund its programs and support research.

Ami Simms, Founder and Executive Director of Alzheimer's Art Quilt Initiative, is a nationally known quilter and lecturer. Come join us as she speaks about her care giving experiences and the national charity she has started.

More than 5.4 million Americans have Alzheimer's disease, a progressive and degenerative brain disease that is robbing them of their memories, their life skills, their ability to reason, to learn, and eventually to take care of themselves. Alzheimer's is always fatal unless another disease takes one's life first. Quilters across the United States are threading their needles in the hopes of bringing a cure for Alzheimer's disease one stitch closer.

Dear Members of Virginia Consortium of Quilters,

It is with honor that the Virginia Memorial Quilt Project accepts the many beautiful quilts from the Virginia Consortium of Quilters. It was a pleasure and honor to attend your meeting on May 14, 2011 in Midlothian.

Each quilt that you presented to us will be photographed, labeled and given to the immediate family of a serviceman or servicewoman with ties to the Commonwealth of Virginia who gave his or her life in the name of Freedom. I will be sure to get a copy to you for your records with the names of the families your quilts will be presented to. When our Project is complete, our records will be archived in the Virginia War Memorial Research Library so future generations will know our labor of love for our fallen heroes families.

Each year, the Virginia Memorial Quilt Project co-hosts a Celebration of the Life of A Virginia Soldier. The Celebration will be held on Saturday, August 13, 2011 at the Battlefield VFW Post 9808 in Mechanicsville, VA. We would love to invite any members of the VCQ to attend as our guests. We have a program, luncheon, speaker and visitation time. You would need to arrive around 10:30am as the families begin arriving at 11:00am. The families are so happy to meet the quilters, even if they didn't make the quilt they received, so they can express their appreciation for the many hours that went into making their quilt. This will be our 5th Annual Event. If you would like to attend, please send me an email at debelam1@aol.com and I will email you the RSVP Form along with directions. Please type in "VCQ" in the subject line of your email. It is truly a wonderful day to meet the families and just let them know Together...We Will Not Forget.

Again, it is with sincere gratitude that the Virginia Memorial Quilt Project accepts the many quilts you have given us. Your love and patriotism is very evident with every stitch that was taken to make each quilt and knowing your hard work will show love, care and compassion to a family who has lost so much.

If you would like to be added to the Virginia Memorial Quilt Project email list, please don't hesitate to send me an email at debelam1@aol.com and please type in "VCQ" in the subject line.

God Bless Each of You, God Bless The Commonwealth of Virginia and May God Bless The United States of America! Debbie Elam, *Chairman of the Virginia Memorial Quilt Project* (www.vmqp.com)

About Your Teacher - Phyllis Whetzel: I first began sewing at age 12 with my mother's direction. By age 16, I was making most of my clothing and very often a matching outfit for my best friend. Later I was delighted to have a daughter to sew for; but in 1994 I became an empty nester and had a strong desire to pursue quilt-making. I quickly discovered the differences of garment sewing and the reality that I was completely lost. It took my stubborn self ten years to finally enroll in a quilt class. I was addicted! I took every class I could fit into my schedule, bought hundreds of yards of fabric, and made a quilt for every baby I knew, every family member and every close friend. In 2006 I discovered the joy of sharing my knowledge and experiences with others. Four years ago, I started teaching beginner, intermediate and advanced classes here in Monterey. This is especially exciting for me because that is where I've learned most of what I know! I've taught classes at G-Street Fabrics in Northern VA and currently teaching at Valley Fabrics in Stuarts Draft, VA. Contact Phyllis at byphyllisann@yahoo.com or (540) 414-4410 after July 10.

Class B: Painting with Wool !! with Lisa Jacenich

Pre-registration by July 9th required in order to allow for ordering of supplies: artfulgifts@gmail.com
call 540.414.1812 visit www.chiexperience.com

Hand Class - No experience required.

Learn the technique taught to the instructor by a third generation Turkish Felter, "the painterly technique". You can create beautiful landscapes using wool and silk. This process allows the precision of the smallest paint brush and the flexibility of the widest "strokes", with little-to-no movement of the design during the actual wet felting process. An oil painter recently said upon seeing a work completed with this technique: "Did you paint the wool after you felted it?" This is one workshop you don't want to miss! Create a beautiful wall hanging, multiple quilt squares, table runner or large place mat. All materials provided.

Kit Fee: \$55.00 and includes a fabulous assortment of colorful wools and silk and a "pre-felted" base upon which you will paint!

About Your Teacher - In 1978, while living in Hawaii, Debi learned to quilt and appliqué from Hawaiian women at the local outdoor park pavilions. Moved to Tidewater in 1986, joined Tidewater Quilters Guild at that time. Took many technique classes. Was very active with guild and quilting, until returning back to work in 1997. Still try to keep my hand in quilting, but never enough time.

Class E: Come Quilt With Me

Bring your own project, hand or machine, and sit and quilt with others.

The Highland County Museum located in McDowell, VA will be featuring a quilt exhibit highlighting quilts of the Blue Grass Valley. Make sure part of your VCQ weekend includes a trip to visit this lovely Mansion House. If you are traveling to Monterey from Staunton on Route 250, you will pass through the historic community of McDowell.
