

We know that you are excited to sign up for our next Virginia Consortium of Quilters virtual program for February 2023.

Announcing that on February 18 and 19, 2023 6-9 PM we will host Lisa Walton from Sydney Australia as she teaches her Fantastic Fusion workshop. This is a no-piecing technique which can be showcased alone or used as interesting backgrounds for other techniques, such as applique or additional blocks, or for sashings and borders. Here are some enticing samples.

The member price will be \$50 for the 6-hour workshop, held over two evenings on the weekend of February 18-19. We need a minimum of 15 students and a maximum of 30. If we are not at maximum enrollment, we will open the workshop to non-members on January 22, 2023 at 9pm for \$60.

This workshop will be delivered live over Zoom. Participants need to be familiar with their computer and the Zoom platform. If you need assistance, please reach out to a board member prior to the workshop date.
